RULES FOR USING THE CERTIFICATE:

For the purposes of placing the products on the market, the Certificate may only be used provided the normative document specified on Page 1 remains valid.

The Certificate may only be used as a certificate for the products specified on Page 1. This also applies to its use in advertising, promotional and commercial materials. Unauthorised or deceitful use of the Certificate may result in its withdrawal.

It is prohibited to change, amend or overwrite the data contained in the Certificate.

The Certificate may not be used to substantiate the characteristics of the products changed without the consent of the Engineering Test Institute in such a way that conformity with the technical requirements specified on Page 1 has been affected.
